

There's a Decided New Interest in Ladies' Watches

With the advent of the Watch Bracelet has come a renewal of interest in Ladies' watches. Wearing a Watch on the wrist was a "happy" idea which met with popular approval from the start and has made a decided hit with those who appreciate the convenience and comfort of having the correct time; besides this style is decidedly ornamental.

The New Bracelet Watch

These Watches may be had in a number of different styles at a wide range in prices. We are now showing some of the most desirable kinds which will be found very dependable and at a reasonable cost. We have also a large assortment of Ladies' Watches to be worn with Sautoirs, Chatelaine Pins or with Fobs. We are sure to please you in something. Our absolute guarantee protects you from disappointment.

Ladies! Investigate these new watches. They will prove interesting.
